Dear Miss Quinn
 I liked last year when
 you taught me the ABC's
 and when you taught
 to spell.

DEDICATION

This year we would like to honor someone who has really worked at being a good teacher. She has been lovingly firm in her discipline because she believes in Capitol Christian Academy, she believes that the Lord has given her a responsibility here and she believes in us. She has opened a whole new world of learning by teaching her students to read. In appreciation for all she has done and is doing for us, we dedicate the 1975 AMBASSADOR to

Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness: come before his presence with singing. Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture. Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name. For the Lord is good; his mercy is everlasting; and his truth endureth to all generations.

NORTHEAST FORD

The word different as defined by Webster is that which sets one apart from another. We at Northeast Ford feel our dealership is different. we don't do a lot of shouting or use a lot of silly gimmicks to attract attention. As you can see by our ad we keep selling simple and that's what has made us Washington's largest automobile dealer. Northeast Ford is different in other ways too. We're in a better position to market your old big car which means more for you in trade. We have the largest selection of small Fords in Washington, and we have the convenience of a courtesy bus to downtown area twice a day. We also have what many people consider to be the best service department in the entire area. Thank you for the minute it took to read our message. We consider it a privilege to be able to support a school of your caliber.
